Career Objectives

Hello, My Name is Hlaing Win Aung. I'm 23 years old. I'm in my third year of (Physics major) studying towards a bachelor's in Dagon University. I'm very interested in this web developing field. I'm a fast learner, able to increase responsibility, and committed. And also have positive thinking, critical thinking, good commonsense, and self-motivated. I have a passion to study for programming languages. Able to work under pressure and commitment to teamwork. And also have strong organizational and communication skills. I believe that I would be able to do my best and I'll be a talented developer in near future. I believe that I would make an excellent addition to your team. So if you choose me, you'll never regret it.
